

## USS GUAM LPH9 2008 REUNION UPDATE

09-19-07

To all Shipmates and Spouses:

I want to start off by welcoming all of you to the reunion in Corpus Christi, Texas, on September 22-26, 2008. It's about one year away, but time to start planning.

Corpus Christi is a fun place to visit. The Radisson Hotel is located on the beach one block from the USS Lexington, and two blocks from the Texas State Aquarium. There are three very good restaurants within a block of the hotel and the dress code for these restaurants is very casual, cut-offs, shoes etc. There are several souvenir shops around the Lex.

Along with a tour of the Corpus Christi Navel Air Station, I'm working to include a helicopter repair facility. This facility is currently repairing damaged 'helos' from Iraq, and is very interesting. Transportation will be provided with lunch at the Navy Bay Club at your own expense.

The Texas Treasure Casino ship in Port Aransas (about 25 miles from C.C.) is another attraction you may be interested in. They provide a shuttle bus that leaves from the hotel at 9:45 A.M. on Tuesday, Wednesday and Thursday returning each evening at 6:00 P.M.

The Corpus area is very diverse with many things to do, so we're going to try to allow at least 2 days of free time for you to wander off and explore.

If anyone wants to do something that I can help arrange like fishing trips, etc. please email me at [jimwebb@texaircompany.com](mailto:jimwebb@texaircompany.com) any time. Martha and I will do our best to help in anyway possible.

Sincerely,  
Jim and Martha Webb
